Hello students and families,

We hope this email finds you well and in good spirits. We are sharing this information with you in effort to help students and families during this transition to virtual learning. This is an informational letter explaining how we are going to offer the CCHS Counseling Office services during this time. Please see below details on how the Counseling team will support you.

The counselors will be working from home, but will be available to students and families. We plan to be available Monday through Friday from 7:30AM to 3:30 PM. You can reach us by calling the corresponding numbers below and leaving a voicemail. If you leave us a message, we will contact you as soon as reasonably possible. Feel free to reach out with any post-secondary, academic, or personal/social concerns and we will support you as best as we can remotely. This is a new challenge for us, and we ask for your patience as we all figure this out together.

The same confidential limitations apply while the school is delivering services in a virtual way. As always, all staff, including school counselors, are mandated reporters. Those confidentiality limitations are as follows:

- Mention of someone hurting student
- Mention hurting someone
- Mention harming self

If we become aware of any student crises during the period, we will connect with parents/guardians and school administration as quickly as we can for follow-up support.

In the event of a personal crisis, we encourage you to take advantage of any of the resources in this email.
