Parents and Guardians:

Below is a link for an AdvancED survey. AdvancED is the international accreditation organization used by the state of Wyoming to accredit schools and assist with school improvement. Information gathered from the survey will be used as one piece of the puzzle to determine the accreditation of Campbell County School District. Please take five minutes and complete the survey to help us better serve your student. The link and this letter will also be posted on the CCHS website at: <http://www-cchs.ccsd.k12.wy.us/>
