CAMPBELL COUNTY HIGH SCHOOL

Home of the Camels

### Our Mission:

Is to support all academic, athletic and activity programs at Campbell County High School. We strive to stimulate interest in the academic, athletic, and activity programs at CCHS among parents, faculty, administration, the community and media.

# Why Join?

Joining the Camel Booster Club helps provide funds to Campbell County High School programs and supports school spirit efforts. It's a wonderful way to show your Camel pride as a parent, staff, alumni or community member. Your involvement level in the booster club is up to you: Follow us on social media, attend monthly meetings, or help with committees whether it's once a month or several hours a week.

Our Sponsorship Levels include the same benefits as the Individual Memberships with added perks and advertising. Business sponsors

are essential to the Camel Booster Club funding efforts; they make approving program funding requests possible.

# What We Do

The Camel Booster Club works to help offset costs for programs benefiting students in all school sponsored programs at CCHS through membership dues, sponsorships, fundraising events, and conces-

sions. We strive to boost school spirit through events and giveaways.

# Our Committees

**Concessions** - This committee is responsible for setting up concessions at events and organizing groups to work the event. CCHS Coffee Shop "Camel Grounds" is also run by concessions. In 2017-18 CCHS students earned \$11,000 for their CCHS sponsored team, club, or activity.

**Fundraising** - The Booster Club raises money through events throughout the year that will bring students, staff and community members together to support CCHS school spirit.

**Merchandising** - This committee will put together Camel merchandise to be sold throughout the year.

**Spirit** - This committee is responsible for supporting the great participation CCHS students show in their activities throughout the school. This will include celebrations and events to bring school spirit to the students, staff, and community.

**Membership** - This committee is responsible for increasing our Camel Booster Club membership and awareness with a membership drive and marketing materials.

**2017-18 RECAP: Camel Booster Club was able to help in a number of areas:**

- Volleyball - helped pay for uniforms and camp fees
- Band - lodging
- Wrestling - camp fees
- Drama - licensing fees
- Golf - summer golf memberships
- FCCLA - competition fees
- Homecoming chili feed
- Football - banquet
