

## UPDATING your PowerSchool MOBILE App

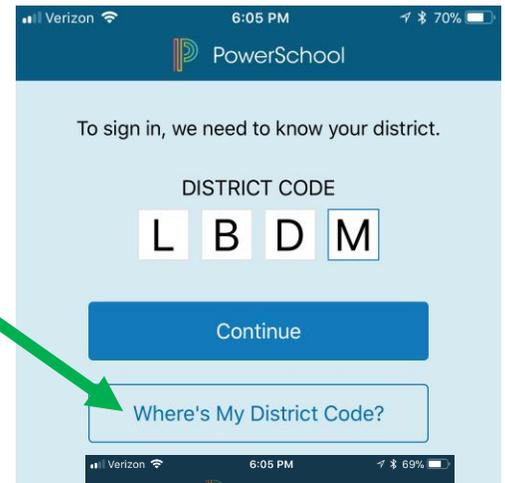

1. Select the Account icon on the bottom of the app page and Sign Out
2. If your app page looks like this, then you will need to update your server settings as explained below.

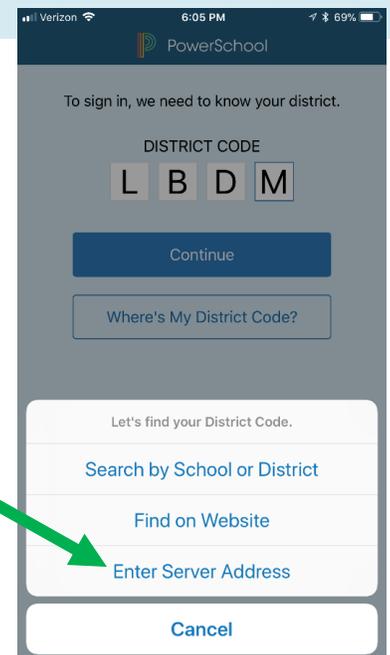

3. Select the District Code – on the top LEFT CORNER

*The PowerSchool District Code of LBDM is currently not working.*

4. Click on – “Where’s My District Code?”

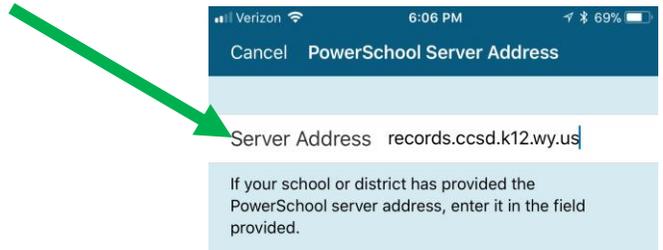

5. A pop-up window should appear that will allow you to “Enter Server Address”

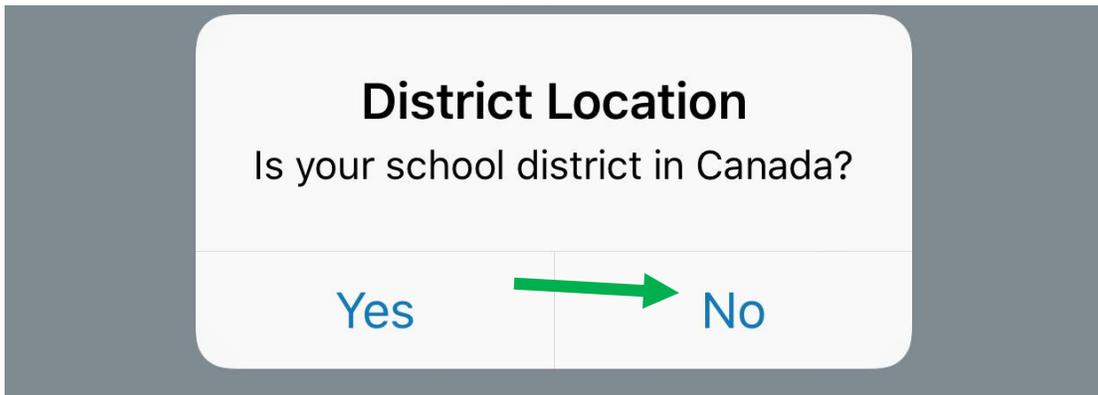

UPDATING your PowerSchool MOBILE App

6. Enter the Server Address “records.ccsd.k12.wy.us”  
This is the same address that a parent use to log into the site for PowerSchool

7. It will then ask this interesting question – Click “NO”

8. Final Step is to log back in to see your student’s 2018-19 PowerSchool information
